

*After much consideration wetsuits have been allowed this year, but to uphold the ethos of our Dare to Care Swim challenge of **'The "Take Your Breath Away" Swim for Conquer Cystic Fibrosis'** no prizes will be awarded or Placing Positions recognised by those who participate in the swim wearing a wetsuit. Many of our swimmers will brave the cold in their bathers alone. Please know that we appreciate your understanding on this decision and thank you from the bottom of our hearts for participating in our swim and helping us raise much needed funds to help Conquer Cystic Fibrosis.*
